		Engagement with NRMEAG has also occurred. Alternative permanent outfall design exiting at Boat Ramp underway. Detailed LIDAR survey and tidal level data indicate drain grade and tidal inundation limitations. Alternate approaches being investigated between Council and consultant. Two options completed. Original concept via Kannah and Boat Park to ramp most feasible / least cost. Revised PM Plan required to finalise planning, required budget and impacts of associated maintenance works of lagoon as per mechanical cumbungi removal. Preferred design concept has been distributed for community engagement, Reserve Management Plan to be updated and endorsed with revised EPBC process to be undertaken concurrently to meet CERMP project funding timing commitment (as applicable). Original petition matter from July 2023 to then be finalised to tie in with RMP update and endorsement.

23.0 QUESTIONS FROM THE PUBLIC

[△](#)

In accordance with Regulation 36 of the Local Government (Meeting Procedures) Regulations 2025, Council will conduct a Public Question Time.

At each meeting the Mayor will invite those members of the public present to ask questions. When requested please:

- Stand up; and
- State clearly your name and address.

This time is allocated for questions from the public. Questions are to be kept brief and specific to the topic to which they relate.

Members of the public are reminded that questions and any answers to such questions are not to be debated.

Questions may be submitted to Council in writing at least seven (7) days before an ordinary Council meeting.

Sharon Fotheringham of Forcett asked the following questions that were taken on notice;

1. Would Council please submit a report to AirServicesAustralia by 16/8 requesting current Rec 4. decision to leave flight path RNP-AR which is directly over Primrose Sands, Carlton River and Forcett be reversed and original Rec 4 be implemented i.e. move the path 3 kms to the east.

2. Would Council please submit a report to Hobart Airport Management requesting they review their newly implemented CACG guidelines that drastically restrict Sorell Municipality residents for advocating on over 7000+ residents negatively impacted by flight paths and airport noise.

The document tendered to you at the Council meeting about the presentation I gave at the 9/7/26 CACG meeting will provide facts. The Mayor may assist you on this issue. I have submitted an appeal to the Chairperson Jan Newman. Their revised guidelines are in direct opposition to Federal guidelines.

3. Is it possible to provide statistics as to how many permanent residents reside at Connelly's Marsh and how many are shackies?

Bob Brakey of Dunalley asked the CEO if he was able to obtain the total costing of the Franklin Street Dunalley Road upgrade.

The CEO apologised that he hadn't yet provided the information and informed Bob that he would advise him first thing in the morning.

Bob read a letter received from Rebecca White MP. In the letter it stated that public consultation on the Arthur Highway improvements will be undertaken later this year. He asked if Council will support the community by making a submission to have a concrete footpath to Bay Road Boomer Bay.

The CEO advised that, despite being in regular communication with the Department of State Growth, he had not received the same information contained in Rebecca White's letter that had been provided to Bob. He further advised that he was meeting with the project team the following week and would raise the matter with them at that time.
